**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Unfettered broadband that is not limited by data caps is required for my job since I telecommute. I chose a competitor because they offered lower cost internet than ATT. I also chose a competitor since they protect net neutrality which should be a right of every citizen. I chose a competitor that is local and provides better service since their focus is good service and not shareholder and corporate profit.
